Hallway Happenings!
There are 5 strange activities blocking the hallways & doorways of the school. Each activity can be described using 3 words that start with the letters **SMK**: the first starts with **S**, the second with **M**, and the last with **K**. For instance, one is a Skeleton Mastering Karate. Each activity is numbered with a blue circle. Can you figure out the other 4?

Schedule Conflict!
Dig'Em® has a basketball game in the gym later today, but first he must attend all of the things listed on the schedule to the right **IN ORDER** and **WITHOUT** crossing his own path. Starting at the entrance, can you help guide him through the school? Watch out for anything blocking the way!
