University of North Texas in Denton with a double major in English and History, with a minor in German. She is on the President's List and Honors College with a GPA of 4.0. She is currently involved with the University's Fencing Club as their historian. Her academic accomplishments have honored her with several scholarships. She has also learned Spanish and German and one day hopes to work in international relations.

Eva shared that she feels that the Sea Scout program is one of the best youth programs our nation has and wants to make sure that more youth have the opportunity to be involved. Sea Scouts has given her the opportunity to become the leader she never knew she could be. The program has given her the opportunity to learn how exhilarating it is to race a boat, to meet international Scouts, to experience the adventure of sailing on a tall ship, and to make some of her best friends. She wants to be able to give some of these things back. One of her goals is to further improve communications between the Sea Scout community and the National Committee by developing a blog and Facebook pages for Sea Scouts. It will help keep everyone informed of events, as well as updates on the program.

Join us in congratulating Eva Hogan in her selection of the 2011-2012 National Sea Scout Boatswain!
